Participants work at their own pace and complete whatever they feel like. More details to follow, pending sufficient interest in doing something crazy like this. There will be a short window of time designated Saturday and Sunday to attempt non-trail dependant regular PooF challenges.*

Important:

- This event is being held on the edge of the 100 mile Wilderness, which means the chances of you getting indefinitely lost if you decide to zen or otherwise wander off during the weekend infinitely higher
- While not uncommon for us to issue a hunting warning for a fall PooF trail, the sheer size of these woods and quantity of wildlife makes the warning for this trail more crucial. Wearing at least one brightly colored item on trail is strongly recommended (season at the time we'll be there includes deer by bow, bear by dog, quail/grouse/turkey/rabbit/squirrel/pheasant by gun)
- Much of the land we'll be on is owned by logging companies. We'll endeavor to keep out of active areas, but please tread cautiously thru deadfall, etc.
- It's Maine in mid-October - it WILL be COLD!
- The Golden Road is also owned by the logging companies, although they allow public use. Please make note of the rules/regs of the road which are clearly posted as you near the Golden Road (logging trucks have the right of way!), and keep a watchful eye out for wildlife. Also be aware that the Golden Road is semi-paved/semi-gravel. Offshoots to the campsite and trails will be narrow dirt with a smattering of small rocks and dips.
- Cell service is very spotty. Please make sure you have your directions ready before you head up as you may not be able to contact folks already at camp or on trail.
- The nearest town is Millinocket - 20mi away. Please be sure to fill up your gas tank before leaving town to get on the Golden Road (we recommend the Dead River Gas Station across from the Rite Aid), and get any last food supplies (we recommend the Hannaford which is a half a block before the Dead River Gas Station). There is a private campground with a store near to where we'll be, but we would not advise relying on it.
- YOU ARE RESPONSIBLE FOR REMOVING YOUR TRASH FROM THE CAMP WHEN YOU LEAVE. Please keep in mind that your hares vehicles are full of stuff for the event and we do not have the capacity to clean up and carry stuff out for you.
- Please respect your fellow hashers, other folks we run into, the rules of the campground, the nature around you, and any cautions Nips and Bleeps express.
- PooF mis-management does not support 'smoking' Please do not smoke at/near/upwind of where we'll be gathering for meals, campfire, and schenanigans.
- If you sell your rego to someone, you and the person you are selling to need to notify us ASAP. If haberdashery ends up being a clothing item, we make no guarantee that the person you sell to will be able to get it in his/her size.
- By signing the waiver when you pay your rego, you acknowledge that you've read and understand the above, and intend to act accordingly.
